POL. AD PAID FOR BY ROBERT CHODY CAMPAIGN

## **Conservative Robert Chody** **has dedicated his life to protecting others**

When Robert was 14, a young officer protected him and his mother from an abusive situation. Since that moment, Robert has dedicated himself to making other families feel as safe as he did on that day.

30 years later, Robert has served our community at nearly every level of public safety - from the U.S. Army and Texas Dept. of Criminal Justice to training future officers and leading Williamson County's top public safety initiatives.

As our conservative Constable, Chody created our DWI Task Force and went after the drunk drivers in our neighborhoods. And he was recognized by Greg Abbott for his sweeping crackdown on deadbeat parents.

Guided by his strong faith and personal experience, Robert Chody is motivated every day to give our families another reason to feel safer. He is the committed lawman we need.
